**About TRA Medical Imaging Operated and Staffed Outpatient Centers:**

TRA Medical Imaging is the community's source for convenient diagnostic imaging throughout the Puget Sound region. We are a regional partnership of multi-specialty radiology physicians that provides high quality, patient-centered radiology services. Since 1943, TRA has combined compassionate, individualized care with leading-edge technology to offer the highest expertise and quality in imaging services. Our radiology physicians, technologists, and staff provide our referring physicians and patients with excellence in care.
